can
imagine

,

Nature Has Already Created

Porcelain stoneware strips can be used in both residential and commercial settings with medium to high foot traffic.

Unlike its natural counterpart, this is a product unaffected by humidity and scratching, and which requires no maintenance other than the daily cleaning of the floors or surfaces; it does not require regular surface treatments.

a wide choice of series

The wood collection reproduces the imperfection and heterogeneous details of reclaimed wooden planks, which fit in perfectly with the strict minimalism of design and lend warmth and authenticity to any ambience.
